INTRODUCTION TO 'REV'

Bajaj Auto is dedicated to ensuring that employees can achieve career growth within the organization through a fair & transparent mechanism.

Posting of job opportunities is one such initiative for providing career growth, learning and development opportunities to employees. The program aims to find internal talent which has better understanding of our culture, processes and work-style, for easier integration into available job opportunities.

The program 'REV' enables employees in EX and above levels to apply for vacancies across different business-units basis their interest and requirements of the role.

POLICY

Eligibility

1. The 'REV' program is applicable only for employees in EX and above
2. The employee should have completed at-least two years in his/her current role to be able to apply to any vacancies within the company
3. An employee can only apply for vacancies in his/her level, and in one higher level
4. No employee can apply to more than one vacancy at a time

Application Process

1. All vacancies in Bajaj Auto will be posted internally for employees to apply
2. Employees will have to apply online on the Success Factors' Career portal via the steps listed in subsequent section. Application through email/hardcopy/verbal intimation or any other means will NOT be taken forward
3. HR will evaluate the application for basic eligibility criteria, and for requirements of the role
4. If shortlisted after the above check, the current manager of the employee will be informed accordingly by HR
5. The process of hiring for employees will be similar to that for external candidates
6. HR will keep employee(s) updated on the status of the application

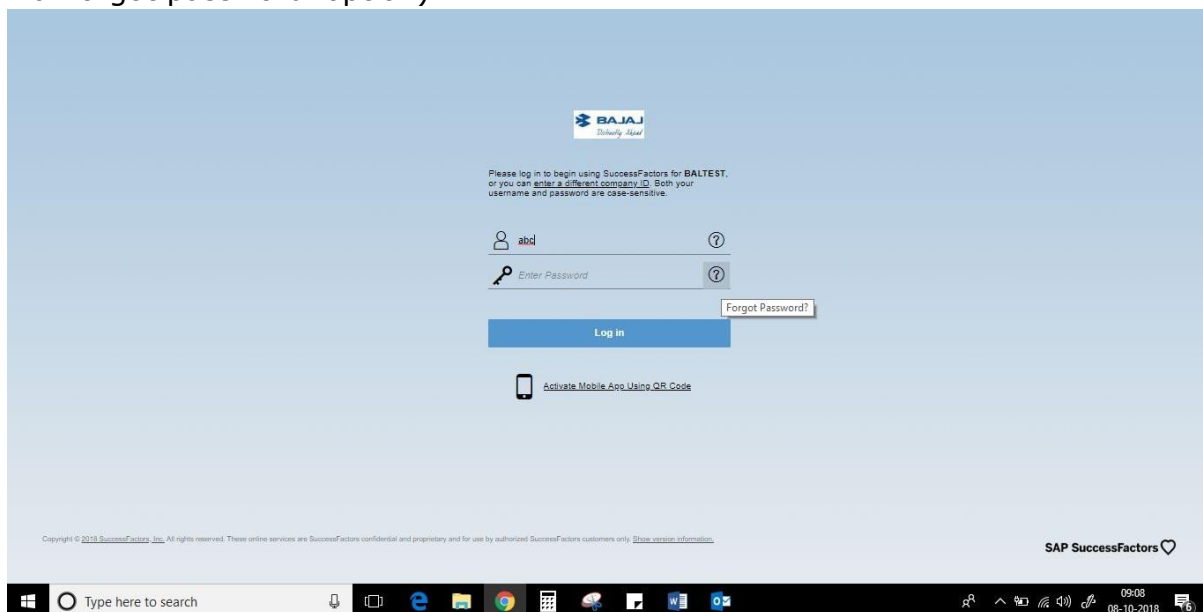

Post Selection Process

1. Recruitment decision will be communicated to the employee and the current manager of the employee by HR
2. The employee will have to serve a notice period of 2 months in the current role post selection, unless there is an exceptional approval by P(HR)
3. 'REV' is a voluntary program. If the new role does not work out for the employee, Bajaj Auto does NOT guarantee return to the old role as default
4. Non-performance in the new role will be treated as per the existing processes of performance management

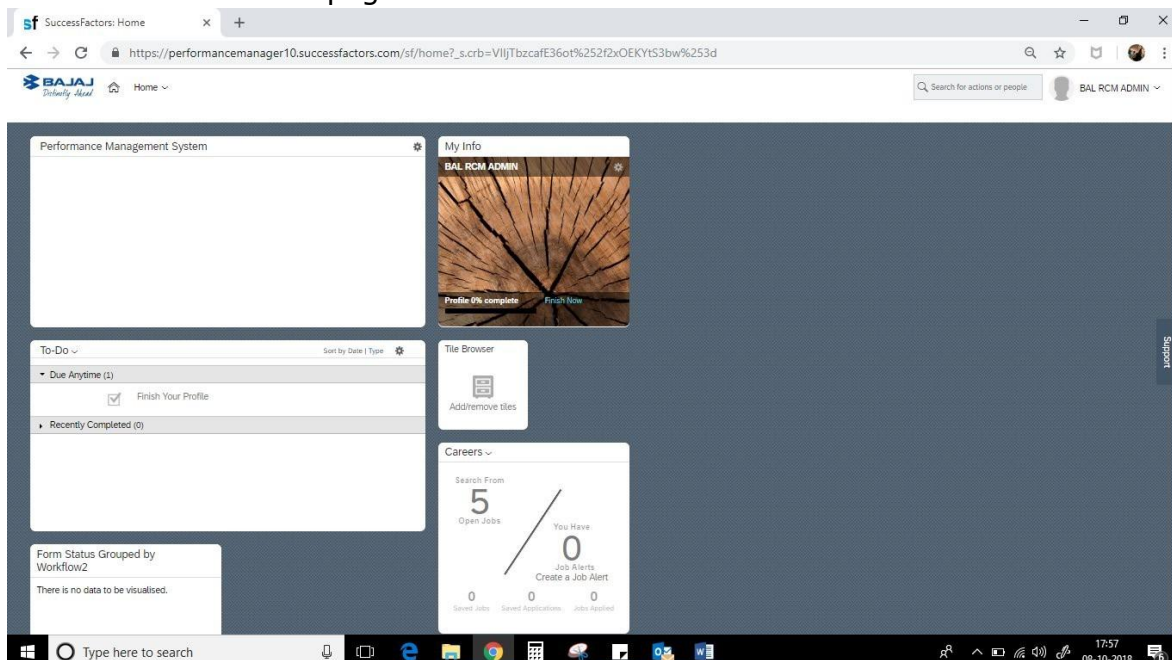

HOW TO APPLY

Employees will receive periodic email communication highlighting the vacancies. Employees can then login to their Success Factors account to view details of all job requirements, and accordingly apply to jobs of their interest. The detailed step by step workflow is shared below:

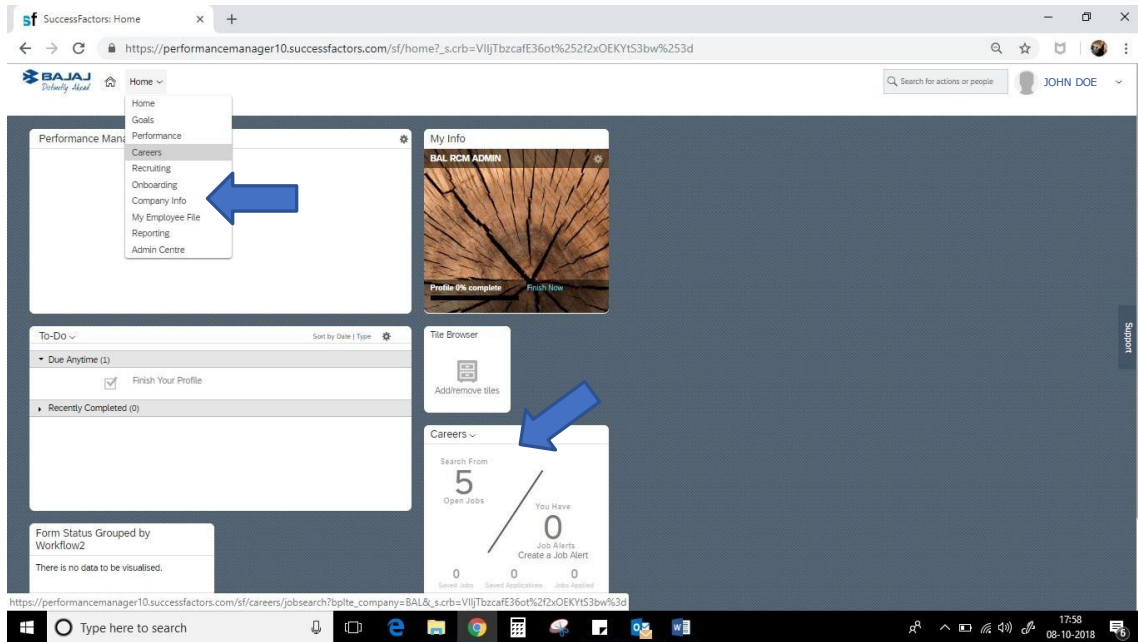

1. Login to Success Factors through the link using your ID and Password-
<https://performancemanager10.successfactors.com/login?company=BAL>
2. Username: <First part of your email id> (eg: for abc@bajajauto.co.in, the username is abc)
Password: <Same as used for performance management> (First time password can be set via 'forgot password' option)

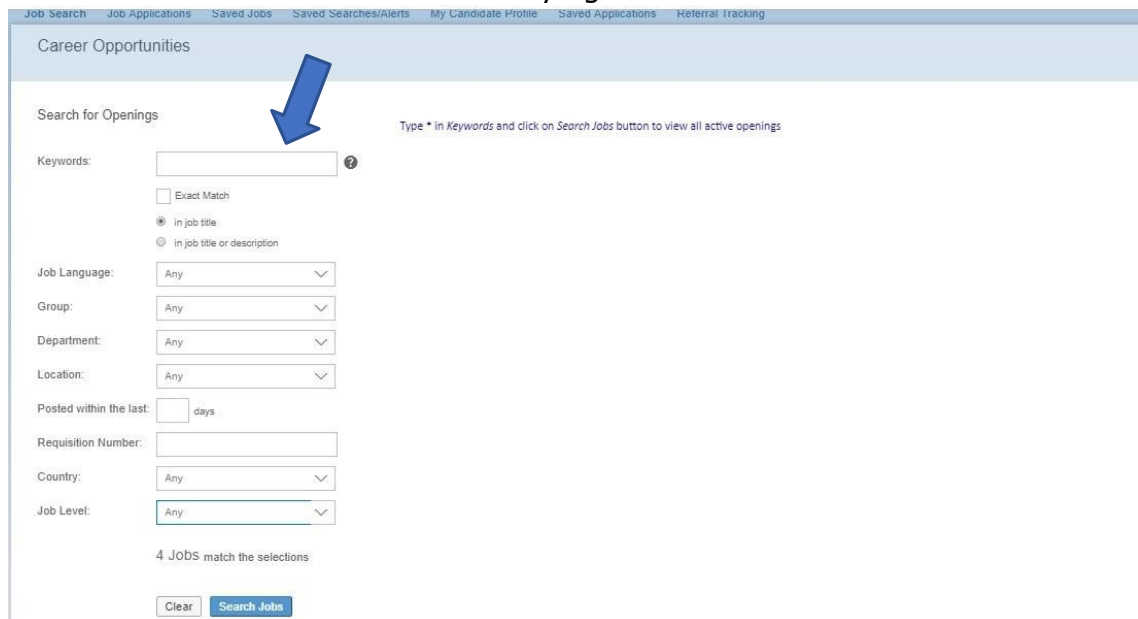

3. You will see the below page:

4. Visit the Careers Section:

5. You will now reach the job-search page. Enter keywords/other search criteria and click on 'Search Jobs'. All the vacancies satisfying the search criteria will be visible on the screen

6. Once you have found the job of your interest, click on the title to view Job description and other requirements

13. After you have applied, HR will check for eligibility of your profile, and will then assess your profile against the requirements of the role. HR will keep you updated on the status of your application

Q.1 Who is eligible to apply for an Internal Job Opportunity?

All EX and above employees, with at least 2 years in the current role

Q.2 Do I need to inform my Manager before applying?

It is not necessary to inform your manager. If you get shortlisted after applicable eligibility and profile check, your Manager will be informed by HR

Q.3 Can I apply to more than one vacancy at a time?

NO

Q.4 When can I apply to another vacancy of my interest considering I already applied for one?

Once HR has communicated the rejection decision

Q.5 If I get selected for a role that is in the higher level than I am currently in, will I receive any salary change? Will I be eligible for grade change?

NO. All salary and grade changes will be done only through the existing merit cycle process

Q.6 I am an EX employee, can I apply to an L2 role?

Yes. An employee can apply for open roles in his/her current level as well as one higher level. If selected, the EX employee will then be a star LX. This will not automatically entitle the employee to a salary or grade change

Q.7 Where can I view the updated requisitions?

Periodically, updated vacancies will be shared with employees over email. Employee can also search the "Careers" page in their SuccessFactors portal using their SF login ID and password (<https://performancemanager10.successfactors.com/login?company=BAL>)

Q.8 Who should I get in touch with in case of any query?

A.8 Feel free to get in touch with your BU HR or Bharat Bhushan (rev@bajajauto.co.in) for any queries related to REV program of Internal Job Opportunities

Q.9 What are the next steps after I get selected?

You will move to the new role after serving a notice period of 2 months in your current role, unless there is an exceptional approval by P(HR)

Q.10 What if I get selected for a role at a different location/ Overseas location?

Standard transfer benefits policy/ Standard Expat transfer policy as applicable will govern the transfer. Note that location change by selection under REV is not the same as location change under transfer request by the employee.

Q.11 What will be the hiring process?

The hiring process for employees will be the same as that for external candidates

Q.12 Can I move back to my previous role due to any reason?

Bajaj Auto does NOT guarantee return to the previous role as default

Q.13 Can I decide after I am selected on whether I really want to join in the new role?

NO

Q.14 What happens if I am in a BU/Location that has a specific allowance, and am selected for a BU/Location that does not have it?

Standard policies of compensation during BU/Location change will apply

Q.15 What happens if I am selected for a BU/Location that has a specific allowance?

Standard policies of compensation during BU/Location change will apply

Q.16 Will my performance in current role be considered for promotion/upgradation recommendation in new role if I get selected for an opportunity under REV?

Yes, it will be considered
