

Learning & Education Assistance Policy ("LEAP")

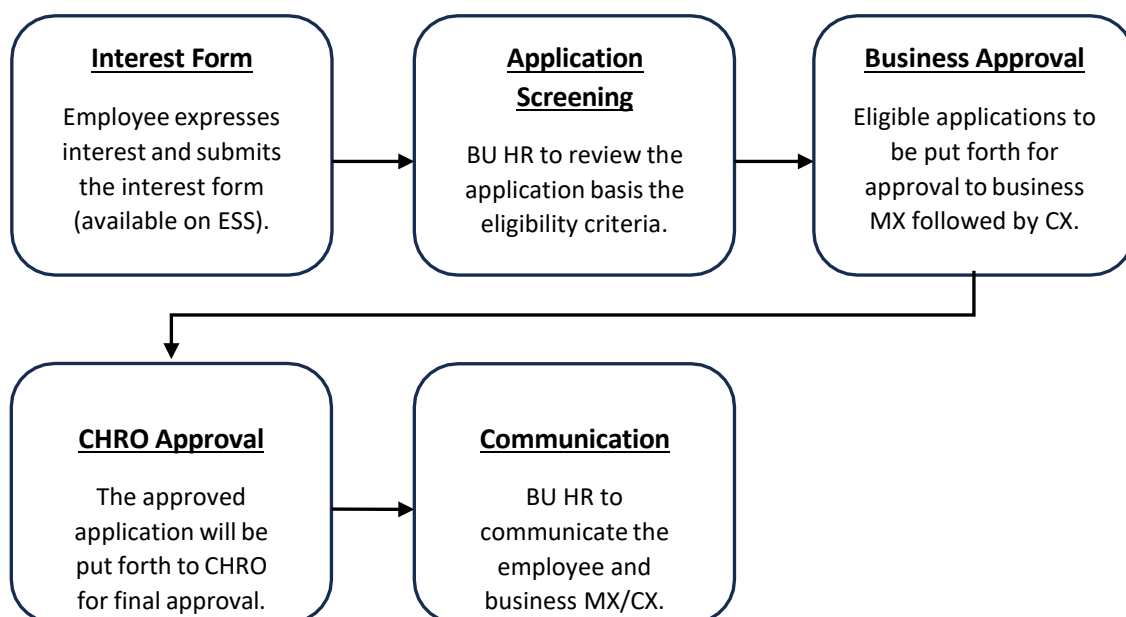

As a leading automobile manufacturer, Bajaj Auto recognizes the importance of investing in the development of its employees to keep up with the changing industry trends and technological advancements. To support this objective, we have the Learning & Education Assistance Policy (LEAP).

The salient points of the policy are given below:

A] Eligibility / Criteria to apply under the "LEAP":

- All permanent (full-time) EX & above employees across locations on the rolls of Bajaj Auto and its subsidiaries can avail educational assistance under this policy.
- The employee should meet the minimum full-time service criteria as applicable to the programs being offered.
- The performance of the employee should be consistently good.
- Education programs under this policy should be chosen on the basis of –
 - Long-term capability needs of the organization.
 - Business impact.
 - Relevancy to the role.
- The list of top institutes / universities to be considered for applying the courses / program under this policy are mentioned in the Annexure 1 and 2 of this document. This list will be reviewed by the management every year and modified, if necessary.
- An employee can benefit from this policy multiple times during their entire service in the organisation, subject to the following conditions.
 - 3-year period from the completion of the previous course.
 - Change in role/Promotion/Special Project etc.
- It will be the sole discretion of the management to approve the applications under this policy.

B] Nomination Process:

Please refer Annexure 3, for the application form.

C] Course Offerings:

- **Full time Courses:**
 - Full time Masters, Post-Graduation, PhD, etc., from reputed institutes / universities will be covered under this category.
- **Part-time/Online/Weekend Courses while working:**
 - Part-time Post-graduation courses, Certification / Vocational courses, Virtual learning courses, etc. from reputed institutes / universities will be covered under this category.

Refer Annexures 1 and 2 for details on the institutes and universities and the courses offered under these categories.

D] Financial Assistance: The following financial assistance will be provided to employees who will be availing the courses as part of LEAP.

- **Bajaj Auto Partnership Programs:**
 - For full-time courses, Bajaj Auto will sponsor up to 75% of the course fees and accommodation.
 - Additionally, for the courses offered by Loughborough University or University of Warwick, the other expenses (viz. travel expenses) may be reimbursed to the employee.
 - For part-time/online/weekend courses, Bajaj Auto will sponsor 75% of the course fees, with a maximum sponsorship limit of ₹ 10,00,000.

For Bajaj Auto Partnership Programs, the company will also extend loan assistance for the remaining amount, if the employee wishes to avail it.

Refer Annexure 1 for details on the institutes and universities and the courses under Bajaj Auto Partnership Programs.

- **Other Courses:** For courses offered by institutes/universities other than Bajaj Auto partner institutes/universities the financial assistance amount will be as follows.
 - For full-time courses, Bajaj Auto will sponsor 50% of the course fees, with a maximum sponsorship limit of ₹ 10,00,000.
 - For part-time/online/weekend courses, Bajaj Auto will sponsor 50% of the course fees, with a maximum sponsorship limit of ₹ 5,00,000.

The amount mentioned would be inclusive of taxes and the employees will have to bear the expenses for the remaining course fees/accommodation, etc.

Financial Assistance will be sponsored to employees at the discretion of the management subject to fulfilment of the following conditions:

- The course fees will be reimbursed to employee only on successfully completion of the course within prescribed time duration.
- Employee should submit the actual proofs of payment, course completion certificate and mark sheet of the course.
- The employee must secure minimum 70% marks or equivalent Grade to avail the benefit under this policy.
- Any amount paid under this policy like fees, traveling expenses, etc. will be fully recovered from the employee –
 - if the employee does not join services in the organization after completion of the course / program.

- if the employee voluntarily decides to leave the organisation within 3 years. This 3-year period will be calculated from; i) the date of successful completion of the course, OR, ii) the employee rejoining the services, OR iii) the date of reimbursement of course fees; whichever is most recent.

Optional Self-Funded Option:

If an employee does not meet the eligibility criteria but still wishes to pursue higher education while continuing to work in the organization, they can do so at their own expense. The organization is committed to assisting with all the necessary documentation required by the institutes. The organization **will not provide** any financial assistance for such candidates.

E] Other points:

- **Attendance and Leave Assistance:**

- For full-time Courses:
 - Sabbatical leave will be provided to employees only for the full-time courses.
 - The eligible employee can apply for Sabbatical Leaves for the entire duration of their full-time course.
 - If approved, these will be "Un-Paid" leaves.
 - During the period of sabbatical leave, the employee should not take up any work, profession, employment, or assignment, whether part-time or on assignment basis outside the company.
 - The employee will continue to be covered under the Medical Insurance policies of the company during their leave period.
- For part-time/ online/weekend courses, if the employee needs to attend the sessions / courses on weekly off days or after office hours, in such cases,
 - There will not be any Special Leaves or Compensatory / Substitute offs.
 - No travel expenses will be reimbursed.
 - The employee must attend the prescribed normal working hours.

- **Internship Opportunity:**

- In case, as per the design and mandate of the course / program, if the employee needs to undergo an internship, they will be allowed to undergo the same within the organization.
- During this internship period, the employee will be given following benefits:
 - The employee will be eligible for "Monthly Salary".
 - Reasonable reimbursement of travel expenses between institution and company will also be considered as per company's travel rules.

The management reserves the right to modify or withdraw this policy, in part or full, with or without prior information to the employees. Any exercise of Company discretion, wherever provided for, in this policy, shall be binding on the employee. In cases where special considerations arise and need to be carried out resulting in deviations from the provisions of this policy, prior approval of CHRO shall be required.

Annexure 1: Bajaj Auto Partnership Programs

This is pertaining to the institutes that Bajaj Auto has tied up with for both full-time as well as part-time/online/weekend courses. The details of such institutes and the courses offered are listed below.

Full-time Courses

Loughborough University, United Kingdom	University of Warwick, United Kingdom
• M.Sc. - Mechanical Engineering • M.Sc. – Automotive Systems Engineering • M.Sc. – Data Science • M.Sc. – Advanced Materials Science and Engineering	• M.Sc. – Electrical and Electronic Engineering • M.Sc. – Sustainable Automotive Electrification • M.Sc. – Smart, Connected and Autonomous Vehicles • M.Sc. – Intelligent Manufacturing Systems

Part-time / Online/ Weekend Courses:

Indian Institute of Technology (IIT), Madras	Birla Institute of Technology and Science (BITS), Pilani	Indian Institute of Science (IISc), Bangalore
M.Tech. Courses: • <u>Electrical & Electronics</u> ○ Communication system and Signal processing ○ Multimedia ○ Micro Electronics ○ Integrated Circuits & Systems • <u>Mechanical and Manufacturing</u> ○ Mechanical Design ○ Automotive Technology Certifications: • eMobility and Electric Vehicle Engineering	M.Tech.: • <u>Electrical & Electronics</u> ○ Software Systems ○ Embedded Systems ○ Automotive Electronics • <u>Mechanical and Manufacturing</u> ○ Automotive Engineering ○ Quality Management ○ Digital Manufacturing ○ Design Engineering ○ Manufacturing Management ○ Data Science Engineering Certification: • Artificial Intelligence & Machine Learning (AI & ML) • Internet of Things (IoT) • Full Stack Engineering	Certification: • PG Level Advanced Certification Course in Mobility Engineering

Annexure 2: List of Educational Institutions / Universities

Here's a list of top institutes/universities to be considered for applying to the course / program under LEAP, subject to periodical review and sole discretion of the Management.

Any college or university not included in the provided list will be evaluated based on institute rankings, such as QS Ranking or NIRF Ranking or other appropriate ranking (as applicable). These selections will undergo a review by the HR department.

1. Doctor of Philosophy (PhD):

India	Asia Pacific	Europe	USA
Indian Institute of Science, Bangalore	National University of Singapore (NUS) - Singapore	University of Oxford - United Kingdom	Massachusetts Institute of Technology (MIT)
Indian Institute of Technology, Madras	Tsinghua University - China	University of Cambridge - United Kingdom	Stanford University
Indian Institute of Technology, Delhi	Nanyang Technological University (NTU) - Singapore	ETH Zurich - Switzerland	Harvard University
Indian Institute of Technology, Bombay	University of Hong Kong - Hong Kong	Imperial College London - United Kingdom	California Institute of Technology (Caltech)
Indian Institute of Technology, Kharagpur	Peking University - China	University College London (UCL) - United Kingdom	University of Chicago
Indian Institute of Technology Kanpur	Fudan University - China	University of Edinburgh - United Kingdom	Princeton University
Tata Institute of Fundamental Research	KAIST - Korea Advanced Institute of Science and Technology - South Korea	University of Munich - Germany	Columbia University
Indian Institute of Technology, Roorkee	Seoul National University - South Korea	EPFL - Swiss Federal Institute of Technology - Switzerland	University of Pennsylvania
All India Institute of Medical Sciences, Delhi	University of Tokyo - Japan	University of Manchester - United Kingdom	Yale University
Vellore Institute of Technology	Hong Kong University of Science and Technology (HKUST) - Hong Kong	Paris Sciences et Lettres - PSL Research University Paris - France	University of California, Berkeley

2. Master of Business Administration (MBA):

India	Asia Pacific	Europe	USA
Indian Institute of Management, Ahmedabad	INSEAD - Singapore	INSEAD - France	Harvard Business School
Indian Institute of Management, Bangalore	National University of Singapore (NUS) Business School - Singapore	London Business School - United Kingdom	Stanford Graduate School of Business
Indian Institute of Management, Kozhikode	Melbourne Business School, University of Melbourne - Australia	HEC Paris - France	MIT Sloan School of Management
Indian Institute of Management, Calcutta	HKUST Business School, Hong Kong University of Science and Technology - Hong Kong	IE Business School - Spain	The Wharton School, University of Pennsylvania
Indian Institute of Technology, Delhi	CEIBS - China Europe International Business School - China	Judge Business School, University of Cambridge - United Kingdom	Chicago Booth School of Business, University of Chicago
Indian Institute of Management Lucknow	Nanyang Business School, Nanyang Technological University (NTU) - Singapore	Saïd Business School, University of Oxford - United Kingdom	Columbia Business School, Columbia University
Natal Institute of Industrial Engineering, Mumbai	Indian School of Business (ISB) - India	IESE Business School - Spain	Haas School of Business, University of California, Berkeley
Indian Institute of Management Indore	Sauder School of Business, University of British Columbia - Canada (Note: Canada is part of the Asia-Pacific region in QS rankings)	ESADE Business School - Spain	NYU Stern School of Business, New York University
XLRI-Xavier School of Management	Sasin School of Management, Chulalongkorn University - Thailand	Imperial College Business School - United Kingdom	Kellogg School of Management, Northwestern University
Indian Institute of Technology, Bombay	Sydney Business School, University of Wollongong - Australia	Copenhagen Business School - Denmark	Tuck School of Business, Dartmouth College

3. Master of Science (MS):

India	Asia Pacific	Europe	USA
IIT Bombay	National University of Singapore (NUS) - Singapore	ETH Zurich - Switzerland	Massachusetts Institute of Technology (MIT)
IIT Delhi	University of Tokyo - Japan	University of Cambridge - United Kingdom	Stanford University
IIT Madras	Tsinghua University - China	University of Oxford - United Kingdom	Harvard University
IIT Kanpur	Seoul National University - South Korea	Imperial College London - United Kingdom	California Institute of Technology (Caltech)
IISc Bangalore	Hong Kong University of Science and Technology (HKUST) - Hong Kong	Eindhoven University of Technology - Netherlands	Carnegie Mellon University
IIT Kharagpur	Australian National University (ANU) - Australia	Technical University of Munich - Germany	University of California, Berkeley
IIT Roorkee	Nanyang Technological University (NTU) - Singapore	EPFL - Swiss Federal Institute of Technology Lausanne - Switzerland	Princeton University
	Peking University - China	Delft University of Technology - Netherlands	University of Michigan - Ann Arbor
	KAIST - Korea Advanced Institute of Science and Technology - South Korea	KU Leuven - Belgium	Georgia Institute of Technology
	University of Melbourne - Australia	University of Edinburgh - United Kingdom	University of California, Los Angeles (UCLA)

4. Design:

India	Asia Pacific	Europe	USA
National Institute of Design, Ahmedabad	Tongji University - College of Design and Innovation (China)	Royal College of Art (RCA) (United Kingdom)	Massachusetts Institute of Technology (MIT) - MIT Media Lab
Industrial Design Centre, IIT Bombay	University of Tokyo - Department of Design, Graduate School of Media Design (Japan)	Politecnico di Milano - School of Design (Italy)	Stanford University - d.school
	Seoul National University - Graduate School of Convergence Science and Technology (South Korea)	University of the Arts London - Central Saint Martins (United Kingdom)	Parsons School of Design, The New School
	National Institute of Design (NID) - India	Delft University of Technology - Faculty of Industrial Design Engineering (Netherlands)	Rhode Island School of Design (RISD)
	National University of Singapore (NUS) - Division of Industrial Design (Singapore)		ArtCenter College of Design

Annexure 3: Application Form for availing educational assistance under LEAP

Date: _____

To,

The Chief Human Resources Officer

Through: 1. _____ (immediate manager – LX)
 2. _____ (BU Head – CX/MX)

Subject: Application for Assistance under Continuous Learning & Education Assistance Policy

I would like to seek higher professional education as per details given below:

Course / Program (Title)	
Name of Institute/University Address:	
Full Time / Part Time / Internship	
Course / Program duration (in months)	
Period (From /To)	
Admission & Tuition Fees (In Rupees / approximately)	

I have gone through "LEAP" Policy dated 25th December 2025 in detail and shall abide by the terms & conditions mentioned in the policy. I also understand that I have to sign a formal legal agreement with the company explicitly covering my privileges and liabilities under the policy.

You are requested to grant me –

- Financial assistance as per the rules.
- Sabbatical (Unpaid Leaves) from _____ to _____ (applicable for full time courses only)

Name & Signature of Employee: _____

Employee No.: _____

Date of Joining: _____

Department: _____

Current Level: _____
