ESOP Financing

Alliance Opportunity

About ESOP Financing :-

Key Features of ESOP Financing :-

- **No monthly servicing of interest. No compounding of interest.**
- **No EMI** to be paid on monthly basis.
- Interest to be paid **Annually or on loan closure** whichever is earlier.
- No upfront payment of processing fees – To be paid at the time of loan closure.
- Flexibility on higher funding amounts.
- Online Website to track your loans at all times (I Manage -<http://finance.nuvamafinance.com>)
- Online facility to sell shares through the above website. Also 4 other modes of selling SMS, Call Center, E -Mail, RM.
- Loan facility to the extent of **100%** of exercise price and perquisite tax but not exceeding **75%** of the current market price of shares.
- Funding to be done directly to the corporate bank account of the company.
- Easy Process and extremely Simple Documentation.
- Flexible Repayment Options.
- Advisory when you decide to sell your shares to get best prices.
- Minimal TAT for Account opening and loan processing (as low as 1 day)

"One of the oldest ESOP financing companies, with extensive experience in funding employee stock ownership plans and managing client loan accounts successfully across multiple market cycles, including periods of significant market downturns."
