

FAQs

1. About Your Card & Activation

(This section covers the basics: what the card is, how to get it working, and how to check your balance.)

1. What is a Pluxee Card?

A Pluxee Card for Benefits is a prepaid card that can support multiple employee benefits on one card. It is a 2-in-1 card that consists of:

1) Meal Benefit and 2) Other Benefits like Fuel & Maintenance Benefit. It is reloadable and comes with a 3-year validity.

2. Why do I see two cards?

The Pluxee Card is a 2-in-1 card. One card is for Meal Benefits which can be swiped at Pluxee-affiliated meal merchant outlets across India for the purchase of food and non-alcoholic beverages only. The other card is for other benefits like Fuel & Maintenance Benefit.

3. How do I activate my card?

All Pluxee cards are dispatched in an inactive mode for security reasons. The card must be activated before usage.

To activate your card online:

- Visit the card activation portal <https://activation.consumers.pluxee.in>
- Enter your official registered email address/ mobile number.
- Enter the unique 12-digit card reference number (mentioned in the Welcome Letter/Email)
- Click on 'Get Activation Code'
- Provide KYC information.
- Enter the activation code received by e-mail.
- Complete OTP-based mobile number verification
- Click on 'Activate Card'

4. Where can I find the Card Reference Number?

The Card Reference Number is printed on the Welcome Letter sent as part of the card welcome kit (Physical card). You will also receive a welcome email on your registered email ID, the CRN number will also be mentioned on this email. This number is mandatorily required for activating the card; hence make sure that you retain the Welcome Letter until card activation.

5. I have lost the welcome letter and am unable to retrieve the Card Reference Number. What do I do?

If you have lost/ misplaced the welcome letter and did not note down the Card Reference Number (mandatory for card activation), all you need to do is visit the Pluxee card activation portal <https://activation.consumers.pluxee.in>

1. Select the option 'Forgot Reference Number.'
2. Enter your registered mobile number/ email address
3. Enter last 4-digits of your 16-digit card number
4. Enter captcha details and click on 'Get Card Reference Number.'

If the details you have entered are correct, you will receive the card reference number details via SMS or email on your registered mobile number or email address.

6. How do I check the balance on my card?

You can simply go to the 'Benefits' section of the card after logging in to Pluxee India app. Click on Fuel/Reimbursement wallet to view the balance on card.

Every time you make a purchase; you will receive an email/SMS notification stating the updated card balance. You can also view your card balance on the Pluxee India App. Alternatively, you can dial 022 6919 6919/022 50216919 and follow the IVR steps.

7. How are the different amounts or components segregated within the card?

Within the card multiple wallets will be created as per requirements. Example (Fuel, maintenance, & reimbursement).

2. Using Your Card & App

(This section covers the day-to-day use of the card, the app, and common transactions.)

8. Is there an App I can use to manage the card?

Yes, please download and use the **Pluxee India App** on your smartphone from any Playstore/Appstore (Android/iOS). You will see 2 benefit cards on your Pluxee India App – One card is mapped to Meal benefits and other is tagged to other benefits. You will find your other benefits wallets like Telecommunication & Data, Learning and Development, etc. right beneath the Benefits Card on the app. You can enjoy the following benefits on the app:

- Card Auto-Link – Your card will be automatically linked to the app when you log in
- Reset Card PIN - You can reset your card PIN through the app.
- Dynamic PIN – No need to remember your card PIN because you have the Dynamic PIN to your rescue. The Dynamic PIN that is generated every two minutes on your app.
- Exclusive offers and discounts - Avail exclusive offers and discounts
- Block and unblock card - Cards can be blocked or unblocked as per your needs.
- Track spends - Real-time in-app notifications on spends and credits.
- Access transaction history - Access transaction history on-the-go

9. How do I use this card?

Meal Benefits: **Swipe** the card at Pluxee-affiliated meal merchant outlets across India for the purchase of food and non-alcoholic beverages only.

Other Benefits: **Insert/dip the card** at RuPay accepting outlets to use the Fuel & car maintenance benefit or pay online or simply upload the bill, and claim your reimbursement via Pluxee India app.

10. Can I use this card online?

Yes. The card linked to Meal wallet can be used on portals of Pluxee affiliated meal merchants. Please use the card details printed on the 'Meal' section of the card to make payments.

The Other benefits can be used on portals accepting RuPay cards. Please use the card details printed on the 'Benefits' section of the card.

11.How do I upload bills on the Pluxee India app?

Steps to follow to upload bills on Pluxee India app is as follows:

- Step 1: Log in to Pluxee India app
- Step 2: Go to the 'Benefits' section of the card.
- Step 3: Click on 'Fuel' wallet
- Step 4: Click on 'Upload bill'
- Step 5: Upload a clear picture or PDF file of the bill you wish to upload & click on 'Submit claim' for reimbursement.

12.If an employee pays a bill in cash and uploads the bill, where will that amount be credited?

If an employee uploads a bill in any of the benefit wallets, the approved amount will be transferred to the reimbursement wallet after the bill is approved. For example, if a user forgets to carry their Pluxee card for filling a fuel for their vehicle and makes the payment using UPI or Credit card and they collect the fuel bill generated in the fuel machine. The user can then upload this bill under the Fuel Wallet. Once the bill is verified and approved by the Pluxee Bill Processing Team, the approved amount (e.g., INR 500) will be transferred from the Fuel Wallet to the Reimbursement Wallet. The reimbursement wallet just works like a debit card and can be used on any Rupay platform.

13.Will I receive SMS alerts for my transactions?

Yes, you will receive SMS alerts from Pluxee for your purchase and load transactions.

14.Can I withdraw cash using my card?

Cash withdrawal is not possible.

3. Card Security & PIN Management

(This section covers all questions related to security, PINs, and what to do if a card is lost.)

15. Is my card secured by a transaction PIN?

Yes, the Pluxee Card is secured with a transaction PIN. You can complete a transaction either by using the PIN received as part of your card's welcome kit or by using a Dynamic PIN that can be generated via the Pluxee India App. This Dynamic PIN is refreshed every two minutes, ensuring added security for each transaction.

16. How do I change the card PIN?

You can change your card PIN through the Pluxee India App available on your smartphone. Alternatively, you can dial 022 6919 6919 or 022 50216919 and follow the IVR instructions to reset your PIN.

17. What do I do if I forget the card PIN?

If you forget your card PIN, you can generate a new one using the Pluxee India App. Alternatively, you

can use the Dynamic PIN to complete transactions. If you prefer, you can dial 022 6919 6919 or 022 50216919 and follow the IVR steps to reset your PIN.

18. What should I do if my card is lost or stolen?

If your Pluxee Card is lost or stolen, block your card immediately to avoid unauthorized usage. You can block your card temporarily via the Pluxee India App by going to Settings and selecting your card. For permanent blocking, please dial 022 6919 6919 or 022 50216919 and follow the IVR instructions. After blocking, you can request a replacement card through Pluxee Customer Care.

19. How do I ensure the safety of my card?

To ensure the safety of your Pluxee Card, follow these best practices:

- PIN-based Authentication: Every transaction requires PIN authentication to be approved.
- Dynamic PIN: Use the Dynamic PIN generated every two minutes via the Pluxee India App for enhanced security.
- Do not share your PIN: Never share your PIN with anyone, and avoid storing it along with your card to prevent misuse.
- If you lose your card, block it immediately via the app or through customer support to protect your account.

4. Fees, Limits & Card Validity

(This section covers the rules, costs, and expiry details associated with the card and its funds.)

20. Are there any limits to the amount that can be loaded on the card?

Yes, the balance limit on the Pluxee Card is subject to RBI guidelines, which define limits based on the KYC status of cardholders. Once you complete full KYC, your card can hold a balance of up to ₹2,00,000. These limits are subject to changes as mandated by RBI regulations.

21. Is the card validity the same for all benefits?

Yes, the card validity is 3 years for all benefits. This applies to both the Meal Benefit and Other Benefits like Fuel and Maintenance.

22. What is the process if the card expires during my tenure, and how are funds transferred?

If your Pluxee Card expires during your tenure, a renewal card will be processed 3 months before the expiry date. Once you activate the renewal card, any balance from the old card will be transferred to the new one within 24 hours.

23. What happens if the card expires during my notice period?

If the card expires during your notice period, the card will be renewed 3 months before the expiry date, provided you are still active in the system. If you exit the company before the renewal, the card will be deactivated, and you may contact Pluxee Customer Care for renewal assistance if needed.

24. Is there an inactive fee on the Pluxee Card?

Yes, an inactive fee will be charged if there are no credit or debit transactions on your card for 180 days. This fee is mentioned in your Welcome Letter and is applicable if your card remains unused for an extended period.

25. Will I be charged for a replacement card?

Yes, there will be a replacement fee for the card, which is mentioned in your Welcome Letter or email.
