Meal Benefit Loading Amount (Effective 1 April 2026)

In line with the revised Income-tax Rules effective from 1 April 2026, the maximum monthly Meal Benefit limit has been increased from Rs. 2,200 per month to Rs. 8,800 per month.

Selection of Meal Benefit Amount

Employees who wish to opt-in for the Meal Benefit may submit their preference through the designated application form. For employees who have already opted for the Pluxee Meal Benefit and selected a revised loading amount, any further change to the loading amount will be permitted only at the beginning of the next Financial Year, in accordance with the Company's Meal Benefit enrolment cycle.

Employees may choose any one of the following monthly loading amounts based on their requirement:

Rs. 2,200 per month
Rs. 4,400 per month
Rs. 6,600 per month
Rs. 8,800 per month

Salary Adjustment

The selected Meal Benefit amount shall be adjusted against the employee's Miscellaneous Allowance. This adjustment will not result in any change to the employee's overall CTC (Cost to Company).

Change Lock-in Period

Once an employee submits the Meal Benefit selection form, they will not be permitted to:

Opt-in,

Opt-out, or

Modify the selected loading amount until the beginning of next financial year.

Meal Card Loading Process for Employees Opting-in for the First Time

After submitting the opt-in request, employees will receive a communication from Pluxee with the necessary steps for issuance and activation of a new Pluxee card.
