1. Objective

The objective of this policy is to govern the methodology of managing (allocation, privileges and profiles) on the O365 services platform.

2. Overview

This policy document defines the guidelines for allocation of licenses there by controlling the features of the O365 services platform.

3. Scope

All BAL employees, support partners, partners (vendors), plant locations, remote offices and branch locations fall under the scope of this policy.

4. Policy

a. M365 Coverage

This policy covers Office 365 is a suite of applications as listed below: -

- 1) MS Office Pro plus
- 2) OneDrive
- 3) SharePoint
- 4) Yammer
- 5) Rights Management
- 6) Delve
- 7) One Note
- 8) Office Online
- 9) Teams
- 10) Dynamics 365
- 11) Flow
- 12) Sway Page
- 13) Power Automate
- 14) And other related Applications

b. M365 Issuance

The installation and use of Office 365 services platform in Bajaj Auto is subject to license availability, appropriate business justification and approvals.

Bajaj Auto has acquired the following type of licenses:

1. "M365 Enterprise E3" – Profile 1
Covering –
 - Applications: Outlook, Word, Excel, PowerPoint, Access, OneNote

- Services: Exchange, OneDrive, SharePoint, Skype for Business, Yammer, Teams

The following table depicts the privilege matrix at BAL for the above-mentioned categories

Table-1

Sno	BAL Dept	Level	On - Prem		On Cloud	
			Profile 1	Profile 2	Profile 1	Profile 2
1	All, except R&D	L0, L1	Yes	No	No*	No
2	All, Except R&D	L2, L3	No	No	Yes	No
3	R&D	L0 – L3	Yes	No	No	No
4	All	Service Accounts	No	Yes	No	No
5	All, except R&D	<L4 and Partners	No	No	No*	No*
6	R&D	<L4 and Partners	No*	No*	No*	No

**Need to have basis, on Department Head Approval*

1. No 4 & 5 requires approval from respective department head (L1/L0) of the requester.
2. In case of Office 365 Enterprise E3, on cloud or On-Prem license allocation, end user systems must have latest Office Pro Plus software installed.
3. In case of Office 365 Online Plan 1 users may request for MS Office package which includes MS Word, MS Excel, MS PowerPoint and MS Outlook apps) with business justification and approval from respective concern department head (L1/L0) of the requester.
4. Any other request that is not part of above section “c”, should be approved by the respective department head (L1/L0) of the requester.

5. Guidelines

1. Multidomain federation is restricted so that R&D Dept. users can do video conference / chat etc. using this facility with R&D and BAL users only.
2. BAL users can do video conference / chat etc. using this facility with R&D, BFL, KTM India Microsoft users and external users for BAL business purposes.
3. M365 SharePoint, OneDrive like facilities can be accessed from anywhere from any device and content of these sites are restricted, governed and controlled by respective application, function, and site administrator.
4. R&D user’s mailboxes would continue to be provisioned on On-Prem exchange server till further instructions.

5. Email data is appropriately protected using M365 encryption. Users having office 365 cloud mailboxes would be enabled with legal hold feature to recover deleted email etc. at any given point of time.
6. Email gateway must have adequate software to prevent spam emails and protected systems / end points from malware and viruses like infection
7. Right Management & encryption is in place to protect email data confidentiality.
