Notes :

- 1) Details of hospital charges should be supported with bills and stamped receipt from the respective Medical Institution / Doctors.
- 2) Please attach Hospital Discharge Cards / Patient's Hospital Card in original.
- 3) This form should be completed in all respects.
- 4) As this is a legal requirement, proper receipts for payment made should be enclosed, especially for payments made to Doctors and Hospital. The Receipt for over Rs.500 should be stamped and signed on revenue stamp and signed on revenue stamp. If the stamp is defaced separately it should be done by using the rubber stamp of concerned Doctor or the Hospital. Claims made without proper receipts as stated above will be rejected and returns to the claimants.
- 5) Please attach all bills receipts, Investigation reports & Prescriptions. Chemist's bill should always be supported by Doctor's prescription.

Details of Chemist's bill attached
