Paternity Leave Policy

Purpose:

This policy aims to support employees transitioning into their paternity role by providing them with paid paternity leave over and above the existing paid leave (Earned Leave + Casual cum Sick Leave + Exigency Leave, as applicable).

Scope:

This policy will be applicable to all on-roll employees of Bajaj Auto Limited and its subsidiaries.

Eligibility:

All male employees are eligible to avail the paternity leave for the following cases:

- Birth of their child, including via surrogacy
- Adoption of their child

Policy Guidelines:

1. Employees are entitled to take 10 working days of paternity leave per paternity instance (allowed for maximum 2 paternity instances). Paternity leave is paid leave.
2. The paternity leave can be availed in maximum of 2 tranches within the specified timeframe as mentioned below:
 - **In case of new-born child:** Employees can avail 10 working days of paternity leave, 7 working days prior to the date of birth of the child and until 30 working days after the date of birth of the child.
 - **In-case of adoption:** Employees can avail 10 working days of paternity leave, 7 working days prior to the date of legal adoption of the child and until 30 working days after the date of legal adoption.
3. After the above specified timeframe, any unutilised paternity leave will lapse.
4. Weekly Offs & Paid Holidays during the paternity leave period will NOT be considered as leave.

Example: Leave applied for 25th January to 27th January → will be considered as 2 days leave since 26th January is a Paid Holiday.
5. Paternity leave cannot be encashed or carried forward.
6. Paternity leave is a planned leave and can't be availed without reasonable prior intimation.
7. The policy is effective immediately and is not applicable retrospectively.
