

SOP for availing Paternity Leave

Modalities:

The following process must be followed to avail of the paternity leave.

Sr.	Action	Action initiated by	For levels L3 and above	For levels L4 and L5
1.	Request for creating the opening paternity leave balance	Employee	Raise an HR request to time office via Jarvis attaching all necessary documents* and relevant details. (ONLINE)	Raise a request to time office via the hardcopy of the paternity leave request form attaching all necessary documents* and relevant details. (OFFLINE)
2.	Creating the opening paternity leave balance	Time office	Creation of the opening balance for paternity leave by Time Office as per policy and intimation to be sent to employee. (ONLINE)	
3.	Apply for leave	Employee	Apply for leave, selecting the paternity leave option via ESS/EKAM/Leena AI. ** (ONLINE)	
4.	Approval of leave	Manager	Approval by manager via ESS/EKAM/Leena AI. ** (ONLINE)	
5.	Updating the leave details	Automatic	Auto update in SAP. (ONLINE)	

* Documents to be attached for creating paternity leave opening balance:

- i. Medical certificate with the expected date of delivery or certificate of birth as applicable.
- ii. In case of adoptions, the Court adoption order determining the expected date of legal adoption or the legal adoption certificate as applicable

** Currently Leena AI/EKAM is not available to L4 & L5 employees. The above proposed modality will be tentatively live by June 2023 for them.

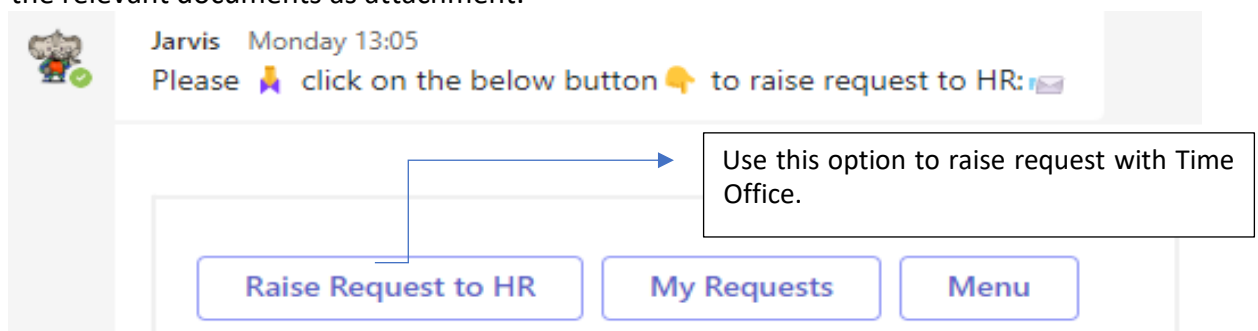

Steps 1 and 3 are the only steps to be initiated by the employee.

Step 1. Request for creating the opening paternity leave balance:

For paternity leave quota to be allotted, the employee will raise a request with their respective time office with necessary details and documents. Details of the documents are mentioned above.

- **For employees having access to Jarvis (Currently available to L3 and above employees):**

The employees can raise an HR request through Jarvis to their respective Time Office and send the relevant documents as attachment.

Drag & drop or click here to attach files

- **For employees not having access to Jarvis:**

The request can be raised via mail/offline channels. They must reach out to their respective Time Office SPOC with relevant details and documents.

Step 3. Applying for paternity leave:

1. The employee can apply for leave through EKAM/ESS/Leena AI module shown below.
2. This leave will have similar approval matrix as that of CSL.
