TYPES OF TRIPS

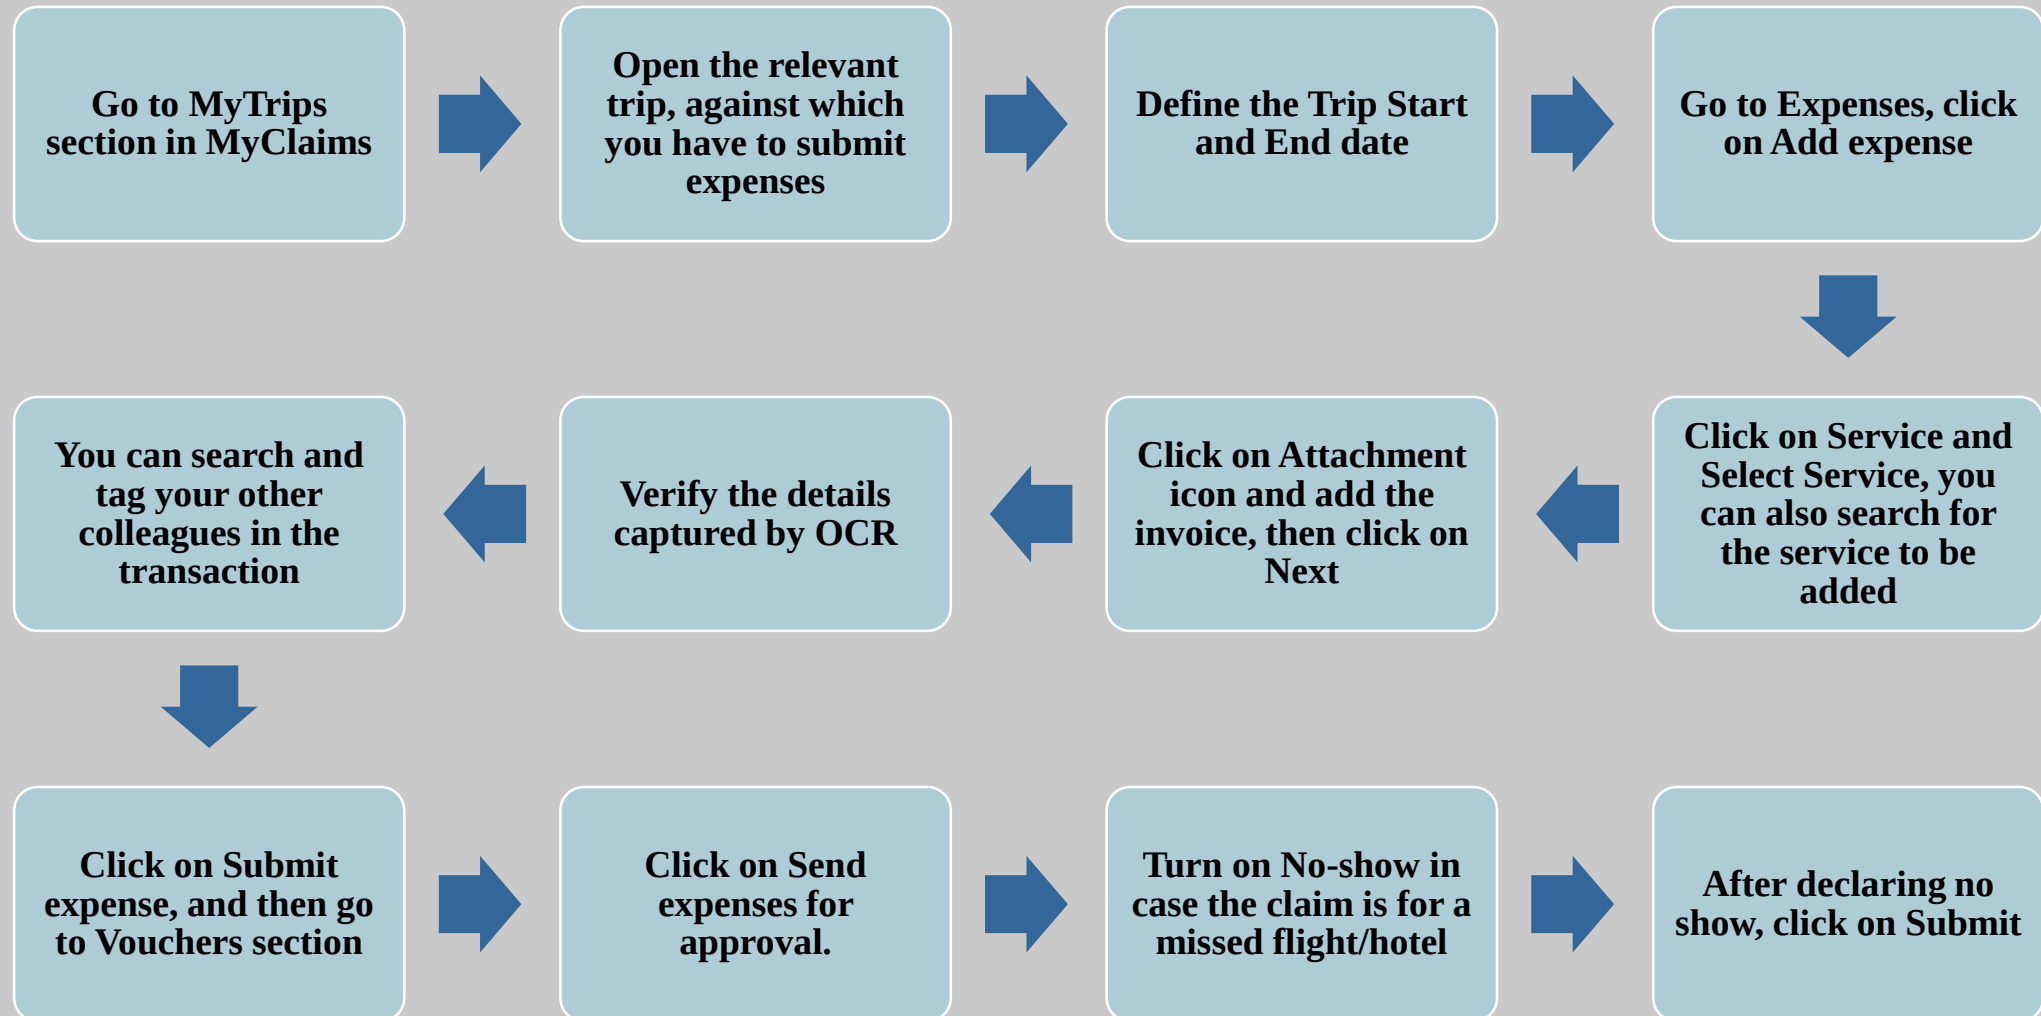

Online Trip: If you've booked your trip through the **MyBiz portal**, all your bookings (flights, hotels, etc.) will be automatically imported into MyClaims. You can then add any additional expenses you had during your trip, and request reimbursement for them.

Key flow: *Trip imported from My Biz >> Mybiz Bookings of this trip gets automatically imported >> Add more expenses if required which were not booked from mybiz >> Submit Voucher*

Offline Trip: If you didn't use the MyBiz app to book your trip—maybe due to an emergency, or because you made the arrangements on your own—you can manually add all your expenses under the **Offline Trip** option to get reimbursed.

Key flow: *Create a new Trip on Myclaims >> Add all trip expenses >> Submit Voucher*
